Good Day!

How are you! I have been a professional nanny for 20+ years now. I am hoping to find a full time live-in nanny position with a wonderful family in Wyoming. I would like to care for one child 3+ years old or two school aged children. My last live-in nanny position was in Framingham, MA. I stayed with the family for eight wonderful years! Caring for a very sweet boy who was three years old when I arrived. Now he is in his third year of high school at Tabor Academy on Cape Cod. I'm so proud of him! My experience has been working with families in New York City and Southampton Long Island.

I love to watch children learn & grow.... While teaching them kindness, sharing, compassion and love.

I am reliable, trustworthy, organized & creative. A wonderful cook and experienced driver. I do have my own car with a great driving history. I truly love preparing healthy meals and snacks for children. Also flexible with my time. I will be able to help with light housekeeping and errands need be.

I can provide references upon request and answer any questions you may have. If you are interested, please feel free to email me. I will get back to you as soon as possible. Thank you very much for your time.

All the best to your family!
