lost my black pouch today, not bigger than a large man's hand. Has two bottles of insulin, a one touch blood machine, test strips and syringes. Bag broke open on blue star bus line, but unsure if it came out on bus or not. Business cards are in this and my Home Depot card with my name on it, so I can identify.

Obviously, this is medical emergency.call me - terry, here til Saturday 7am; staying at Lexington.
