Meet Flurry, a border collie/blue Heeler mix. She is four years old and is spayed. She is completely house trained and will let you know when she needs to go outside. She knows sit, stay, and shake. She loves other people and other dogs, but is wary of people at first. Great guard dog. One of the most obedient dogs ever and we are so sad we have to get rid of her, but with a baby on the way it must happen! For more info text
