Find out how you can be a change maker in your community with Apartment Life!

Apartment Life is a faith based, non-profit organization that is motivated by the belief that every individual is created for community. Apartment Life sends CARES Teams to live onsite in apartment communities (at significantly reduced rent) and live out God's calling to love their neighbors through practical, intentional, and everyday ways.

By living onsite for greatly reduced rent, our CARES Teams are there to welcome a new neighbor and give them the scoop on the neighborhood. By hosting events, our CARES Teams are the kinds of people who "know everybody" and help neighbors make new friends. By showing support during hard times, our CARES Teams are the people to call when life gets hard and neighbors need someone to listen.

Visit our website for more info. www.apartmentlife.org

We're also excited to tell you about our referral bonus program, where you can earn money for referring your friends who might be interested in being a CARES Team. If the friends you refer are approved after going through an interview, you will receive \$50. If they are successfully placed at a community, you will receive an additional \$150! To refer a friend, simply fill out the form on our.
