In the Arms of Atrocity is seeking a new bassist and second guitarist. We are an established metal/hardcore band based out of salt lake. Our influences include but are not limited to bands like August Burns Red, Parkway Drive, Texas in July, As blood runs black, Veil of Maya, Like Moths to Flames ect... We are a pretty laid back group but we are also very dedicated to our music and want to take this as far as we can. So dedication is an absolute requirement to be a part of the band. We also ask that you have your own gear, a source of income and time to practice on a regular basis. We are all over 21 and would prefer you are too but would be willing to make an exception if you're really badass :). So if you're interested in trying out or have any questions text or call
Jon
