Your ride share money MUST be paid up front BEFORE we start the trip & we MUST meet as early as possible before I drive you to feel comfortable with each other before I leave.

Are you, by chance, going to Las Vegas the morning of Thursday, March 5th from St. George, Utah OR from Las Vegas to Orange county, California March 6th in the late afternoon or later OR anywhere from Orange county, California back to St. George along Highway 15, 91, 60, 10, 57, or 55 ?

I am driving from St. George, Utah, Thursday, 3/5 at 8 a.m.Mountain Time to Las Vegas and leaving Las Vegas to go to Orange county on 3/6 by way of Highway 15 passing Henderson, Baker, Barstow, Victorville, etc. & will come back Sunday 3/8 some time after 4 p.m. Pacific Time or early Monday 3/9 & would like to share the cost of my gasoline . Please click on "contact" in order to get me by phone, text, or email right away so that I can talk to you ahead of time. I speak several foreign languages and lived in 5 countries in 3 different continents as an adult and I also play the piano. I like many different things & I enjoy hearing what people say. So we can have a lot to talk about because I can talk and listen to just about.
