Hi! I'm offering a cheaper alternative to taking a taxi cab. I spend a lot of time in my car anyways, so I was figuring I might as well make some money while doing it. I'm willing to charge a flat rate depending on where you want to go in the Salt Lake Valley. Example: sugarhouse to rose park, depending how far into Rose Park five to ten dollars. I have a 4 door sedan 98 Chevy lumina, that can fit about five people in it. That's fully insured. I may or may not have somebody with me at the time. so I can still take three people in my car. I can take you grocery shopping and wouldn't charge you for the time that I waited for you. I work at a gas station full time, but really need the extra cash. So I'm pretty friendly. Call or text, I can do it unless I'm at work or sleeping. Thank!
