I'm new to town, I've been in Utah a year now and recently went from homeless (came from a different state and left everything with my ex, didn't even have \$20) to now living on my own with a job. Anyways, I can't seem to save enough money... By the time i get paid its gone to rent and bills and I haven't been able to get furnishings. I recently saw that someone stole my SSN and took my tax return so I DEFINITELY won't be able to now...that I reported to the IRS.

I'm not asking for money, I don't need it nor want it, my question is, if anyone has a small kitchen table they no longer need, may I have it. I sit on the floor to eat my dinner and I feel like an animal. I would also like a book case if anyone has one. I love reading and have many books. If you have a little table that isn't a hazard, please inbox me (:

**btw I have a small car, so I cannot pick it up. I can pay a small fee for delivery. I just wanted to add that bit, in.
