Nice 2BR, 1BA house near downtown Cheyenne. Older but nicely renovated corner house. Large kitchen, big living area, two nice bedrooms. Fenced yard. Detached one-car extra-deep garage/workshop.

The good stuff: great neighborhood, close to everything, hardwood floors, pets welcome, all utilities paid.

The not-so-good stuff: No washer/dryer. There is a laundromat two blocks away. The house is older, but very quaint.

1 year lease. Available March 1. \$900 security deposit.

Absolutely no smoking.

There is also a basement apartment with a separate entrance that is rented separately. It is currently also available, so if you are interested in four bedrooms, we can talk about that as well.
