Hello, my name is Jessica. I am a 31 year old mother of 3 boys. I have recently left my career to go into child care. I enjoy kids and love the feeling that I get from knowing that I have left a positive impact on a child's life. Coming from working a full time job has giving me the understanding that sometimes a parent just needs that last minute care for a sick child or when school is out. I am very flexible and available 24/7 for not only those unpredictable moments, but on a regular basis. I do have my own vehicle and am able to provide pick up and drop off for school as well as any activities that are needed. I have experience with infants up to children 11 years of age. I currently watch 2 wonderful boys ages 11 months and 4 years old 1 day a week so I do currently have openings and would like to be that reliable child care provider you are looking.
