Hi this is jay a male harliquine. Great dane puppy he is partiality. Deaf but dose not stop his learnig or daily activities. I got him as a gift almost a week ago but i just found out im be going out of town on weekends for work he will only go to good people in a week he has not had one accident. In the house as long as you let him out he learning how to sitwith hand signals hes very playful and loving extremly smart email if you like to meet him i also bought a xxl kennel for him for 100 more ill sell with.
