Hello Parents,

I am looking for a part time or full time nanny position around the short pump area , I am a stay home mom who has a 12 months old baby boy, so I would prefer to babysit your child with mine in my home. I have over 7 years of childcare experience. I live across the mall, next to wellesley lake. Initially I received a training in a day care with newborns in Northern Virginia, since then I had the great opportunity to work for wonderful families taking care children of all ages (toddlers, infants, specially twins!)I really enjoy being around kids and I love to work with them. I have good references from previous employers and I am available to start immediately. Please if you are interested and/or have more questions feel free to send me an email to talk about more details.

Look forward to hearing from you :)

Thank you!
