

# looking for a puppy of any kind (Richmond va)

Location **Virginia**  
<https://www.genclassifieds.com/x-283935-z>

I am looking for a k9 companion. I love dogs and I had a pit bull puppy but had to give him to a different family due to apartment size and it literally broke my heart. If anyone know anyone that is trying to relocate a puppy please contact me. I have 2 cats that are well taken care of and don't mind dogs. Thank
