This is a fully renovated home with all the upgrades and a beautiful open floor plan. You'll have to check it out. The granite countertops, new fans & lighting, new sinks & vanities, new stainless steel appliances, paint inside and out, 18" travertine tile throughout, upgraded bathrooms, is simply irresistible. I love this house!

This is 1440 square feet home with 4 bedrooms and a 2 car garage, nicely laid out for a any buyer who wants to enjoy a quiet friendly neighborhood that is close to schools, shopping, parks, & various ammenitys, with easy access to Hwy 51. The Paradise Valley Mall and other major shopping facility's are close, and the Sky Harbor Airport is only 15 min away. It's been a great home and location for us. It even has an actual wood burning fire place too! (I know, this is Pheonix)

Please make an appointment if you are interested in seeing my house. This is a for sale by owner. I work Monday - Friday, so evenings and weekends are best. No realtors please unless you have a buyer. Thank you for viewing my post.
