Madita is an experienced German au pair with special needs qualifications.

Could Madita be the au pair you have been seeking for your family?

She is available to join your family immediately!

Madita is a 22 year old Preschool and Kindergarten Teacher from Germany. She has been caring for children from the time she was 13. She has worked in summer camps and became certified as a supervisor at the camp. Most recently in Germany she worked part time in a day school and part time in an overnight care center for troubled youth where she cared for kids with ADHD, learning disabilities, depression and developmental delay.

PROaupair is a premier cultural exchange program that specializes in placing experienced international live-in childcare professionals with families in the U.S. for 12-24 months.

PROaupair is the only au pair agency specializing in placing professional au pairs. We recently won Bay Area Parent Magazine's 2014 "Best of the Best" awards receiving Gold for "Best Special Needs Resource/ADHD Services" and Silver for "Best Nanny Agency".

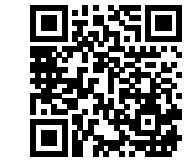

PROaupair's professional au pairs specialize in working with babies, special needs children, and/or

multiple children. Each of our professional au pairs has a child care related degree in fields such as early childhood education, teaching, social work, nursing or occupational therapy. We are a provider of exchange programs for families seeking au pairs for their children's care.
