My name is Chad, my wife Missy and I operate Best of Times Mobile Entertainment and we would be happy to DJ your wedding, reunion, birthday, grad party, bar /club, or pretty much any type of event.

We are quickly filling dates for 2015.

We offering an ALL DAY flat rate of \$400 for your wedding reception- grand march, first dance/last dance, parents dances and everything in between.

If you need sound for your ceremony, we can do that too for only \$100 more.

When it comes to your event, there's more to it than "just playing music" and we get it right.

We are set up and ready to go before your guests arrive.

Our DJs perform in formal dress and are professional and friendly.

Also we NEVER drink. We are at work.

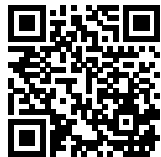

There are A LOT of brides that chose the same Saturday as you!!  
 Don't put your DJ booking off, you may limit your options.

We use great gear, powered speakers, lights, microphone, etc... with no hidden charges. Any equipment I own is included in my price.

Below is a link to some videos I put up on youtube of my sound and light equipment as well as video testimonials from previous clients.

Prior to your event, I would want to meet to discuss with you what songs you specifically want or don't want played, any special dances or part events you are thinking about, as well as anything you desire for MC'ing.

---

Feel free to call me anytime to discuss your event needs and for me to answer any questions you have, or just to check my availability for your day.

Thank you,  
Chad
