Hi!

I am looking for a place to move in as early as next week.

- 1)Preferably furnished with at least a bed or futon.
- 2) Would like private bathroom, not a necessity; if shared- clean please
- 3) ITP preferably close to downtown , if not close to MARTA.
- 4)WiFi required
- 5) 6-12 month lease
- 6)MOVE IN READY BY 3/3

Please contact me! I do not mind boy or girl. I am girl, moving from out of state. Very laid back, mind my own business, reliable and able to pay rent monthly. I have had a lot of games played on here and I really just need a place, next week! I am completely normal and make a great room mate.
