Hi, we are moving to Georgia and we are looking for a property that we can rent where we can pay 3 to 6 months in advance since we can not transfer our current jobs to the city, so that way it gives us plenty of time to start a new one in the area and get our children settled in school as well, but have our rent paid up ahead of time. We can provide anything that might be needed from our current landlord to show that we are reliable tenants and our current employers. We both have jobs that won't be hard for us to find once we are in the.
