BRAND NEW LUXURY RENOVATION
Eight Bedrooms/5.5 Bathrooms
Two House Compound
New Renovation of Landmark Cottages
On Lake Gerar
1.5 Blocks to Ocean

THE PERFECT LOCATION:

- 1.5 blocks from the Beach
- On a virtually private park overlooking Lake Gerrar Nature Preserve
- Three blocks from Rehoboth Avenue in a quiet family- and centrally located-neighborhood
- Sleeps 18

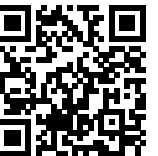

THE COMPOUND

- "The Gaslight House" was built in 1905 as the home of the Rehoboth Beach Street Lighting Company. During the past fall and winter the house was gutted, redesigned by reknown Washington architect

Christian Zapatka and rebuilt by local artisans. The first floor has a large screened-in porch with a built-in seating, dining and living space, a great room-dining hall with fireplace, part of the kitchen, a breakfast room and a large master bedroom. The second floor has four bedrooms, two bathrooms and a W/D room. The Cottages are behind the main house, located on Gerar Park, overlooking the Lake Gerar Nature Preserve, has an entirely rebuilt master bedroom with bath and a W/D room on the ground level. Upstairs are two additional bedrooms, a new kitchen, updated bathroom and living and dining rooms.

- Both houses are wired for Wifi and have cable television (5)
