Hi,

I'm seeking a lovely and charming hostess to deal cards at my in-home poker game the evening of Saturday, March 7th. Dress sexy professional, club style, in lingerie, or whatever, and keep the game going. The eight of us guys are professional, middle-aged nerds, and we'll behave like gentlemen.

Rate is negotiable and depends on things like attire. I've paid anywhere from \$150 to \$400 or so in the past, to give you some idea. Some of the guys will tip a little. The gig is basically five or six hours of dealing, being charming, and laughing at our old guy jokes. Help yourself to whatever beverages, snacks, and pizza we have. We usually play from 6 to midnight, give or take.

Send me a photo, rate expectations, and any info you think'll sway.
