Want to be a part of a team that all the other agencies try and copy? Looking at all these escort ads here makes me chuckle. There's the obvious ones written by a man who wants to take most if not all your money as he uses tacky pictures to imply that the stack of money in the picture is yours, not his. Then there's the ones where you're not sure if you're applying for a job or a cult with all the secret squirrel double talk.

Let me assure you, I'm neither one. Our agency was been around and located in the Bay Area since 2004. We are female owned and treat our girls with the utmost respect. We have a very low turnover rate because we are kind, fair and easy going and our association together is a mutual relationship based on common goals and genuine friendships that develop.

We have very high expectations when hiring girls and when accepting new clients. We already have 1000's of clients and so we are not in any hurry to let just anyone come into are circle to see our girls. They are thoroughly screened and vetted.

We're looking for girls 21-50 who are beautiful both of the outside and inside. I wish I could say inner beauty is enough but it's not. No experience is required. We're also insist our girls to be intelligent, well spoken and interesting. Connecting to people of many levels is crucial in life and this is no different. There's a certain inner 'it' factor that a person possesses that is rare and crucial. I assure you if you have what I am looking for you will do very well for yourself. I probably receive 100 applicants, I'll reply to a few and might be lucky to find one that I truly feel is the one I'm looking for.

Am I asking a lot? No. I give you 100% of my effort. Whatever brought you to this ad, this place in your life will be a distant memory. Your financial woes are over.

We are only open during the day and early evenings til 10pm. Weekdays are busier than weekends and outcalls are not expected or required. No late nights EVER. You make your own hours and schedule, I can certainly give you feedback on what is most beneficial and lucrative for you.

You must have the qualities stated above and also be thin, very attractive, witty and a people pleaser. You also need to have a car and cell phone.

Please send us an email. Please include several pictures, short bio, phone number and any other info you feel important.

We don't take any chances with under ages girls and deplore those that do so if we both decide to move forward in this, a current state issued ID (no passports) will be needed to be shown. I look forward in hearing from you. Have a beautiful day!
