Location **California**  
<https://www.genclassifieds.com/x-284196-z>

Looking for talented and motivated models for individual TFP photo shoots.  
I am an emerging wardrobe stylist in the Bay Area, with weekly training by Los Angeles celebrity stylists. This is a potential for paid work in the future.

This is a great opportunity for anyone wanting to build their portfolio.  
You will get full images delivered to you and credit on a high traffic website and social media profiles.

There are several projects up in the air.  
This is for men or women.

Please send your photo or social media profile for consideration along with measurements. I bring wardrobe and experienced photographer with me to each photo-shoot.  
We only shoot in public spaces, and may be shooting at a public studio in the near future. Thank you!
