Seeking 3 man demo and 3 man plywood hanging crew (Atlanta)

Location **Georgia**
https://www.genclassifieds.com/x-284288-z

"We provide everything you need to get the job done(some tools, material, equipment etc.). You provide labor only!" I am looking for two different crews of 3 men each. Crew 1 will do the exterior demo which is not difficult. We will be removing stucco siding. Team 2 will come behind team 1 and hang plywood as well as repair any bad 2 by 4's
along with any other wood damage needing replaced. Team 2 will have to be really good and fast with Carpentry and team one needs to be fast and proficient at removing the existing siding. I would really prefer someone with a total of 6 men to handle both job assignments. We will work on a Sq Ft rate system so the potential to make good money is there! If interested, please leave me a brief description of your work as well as name, number and anything else that would help me in my choosing. Weekly!
