I need professional Post construction cleaning from ceiling to floor. The house is empty. You'll have to get on ladder and be strong to clean walls. Dust blinds, wipe cupboards, bathrooms etc.

I think it's about 4 hrs for 2 people

Send me your bid \$ and experience

House is 4 bedroom, 3 bath, 2,700 sqft. 12 foot ceilings

Please Don't waste your time or mine, only respond if you are a talented, hard working cleaner. thank
