No minimum order for the customer sell 1 or as many as you can.

Earn \$5.00 for each one you sell. - Period.

You handle the calls... We'll handle the BALLS !! LOL

Visit: <http://www.ShipaBall.com> to see this great new gift idea.

Get paid direct deposit via Paypal or a check mailed to your house, your choice.

We handle all the credit card processing..... we handle all the shipping... We stock all the items.... you just get the orders.... EASY MONEY.

Make up an order code or unique name that you can give out that will identify you.....that way you get full credit for each order sent to us because of your efforts. You will receive an email after each order generated by you.

*Remember to Please tell us the code word you choose. Once we get the code word from you we will enter it in the back office of the website and any customer you give it to just has to enter it during checkout and will get 10% off their order..... then you will get \$5.00 for each ball sold.

So spread the word (your custom word) and make some cash.

We just need your email address and a code word or phrase of your choice because that will be the 10% off discount code you give out.

Email me with comments, questions, or suggestions.
