I'm in need of a ROOFER with EXPERIENCE in commercial and industrial roofing

MUST know how to torch

MUST know how to repair and replace epdm rubber roofs

MUST have a newer model truck with rack and ladder (40' is a plus)

I want a lead man some one to run the show

Please DO NOT CALL if

You don't have a truck

You are a labor

Are willing to learn. I have no time to teach you anything

or email
