We are an Anti-Fear and Life Coaching Firm located in Lawrenceville, GA

I am seeking an intern to help with tracking of clients, social media management and back office support (following up with emails, responding to messages, securing payment etc.)

This is a long-term position after 3 months of internship the goal is to convert this position into a paying role.

Idea candidate is someone who's computer/social media savey, fast learner, an eager attitude to learn and help people. Looking to growth with exciting new company that will become global within a few years.

Please respond with resume, contact information and picture image
