I am available every day to pick up your child from school or daycare and watch them until you arrive home from work.  
 I prefer Fayetteville only but south springdale would work fine.  
 I am CPR trained and have a clean driving record.  
 I have never even been pulled over.  
 I will not only watch your child, but can also do laundry, cleaning, and household chores.  
 Please call or text me in the afternoons to set up a time to meet or to speak with me.  
 Thank you!
