I am available every day to pick up your child from school or daycare and watch them until you arrive home from work.

I prefer Fayetteville only but south springdale would work fine.

I am CPR trained and have a clean driving record.

I have never even been pulled over.

I will not only watch your child, but can also do laundry, cleaning, and household chores.

Please call or text me in the afternoons to set up a time to meet or to speak with me.

Thank you!
