Hey there!

We are two Missouri bands who will be touring together through Arkansas in March. We are willing to play anything! Venues, ballrooms, houses, basements, rooves, fields, whatever! Our shows fell through and now we need to be squeezed into a set somewhere. We can play as long or as short as needed. Make your show special by adding some exotic Kansas City Flavor!

Feel free to email us or text to You can also facebook message us if you really want to; we're at https://www.facebook.com/ViaLunaKC
