Northeast Oklahoma.

I am close to the Arkansas border in Delaware County Oklahoma. Near Rogers Jay Oklahoma. Near Siloam Springs And Springdale Arkansas.

With this said here is the rest of the add.

Need a driver very part time to take me places disabled and no car yet. The trips I take are very repeatitve and regular.. I go shopping every month in Siloam Springs, Arkansas. I pay 30 dollars a trip for this. Twice a month. Springdale, Arkansas is usually every 3 months unless lab work and such. This is a 60 dollar trip.. then we will have a Tulsa Trip this is all day and 100 dollars a trip we will pay for toll costs on this trip. So one can make from 60 to 220 dollars depending on trips taken. And might be more bcuz of lab work etc. Very part time. Interested? Thank
