We are a startup that hosts a weekly online trivia race where the top finishers win cool prizes. We are looking for someone who loves trivia, enjoys marketing, has a large network and a tremendous work ethic. Job responsibilities are to get people to participate in the weekly race (free to play), for every person who plays as a result you will be paid a commission. If this something you feel you might excel at, please email with a short intro and why you believe you would be exceptional at this. Thanks, David.
