## Male cat with huge personality up for adoption (Charles Village)

Location Maryland https://www.genclassifieds.com/x-284663-z

We are currently fostering a cat through BARCs foster program. http://baltimoreanimalshelter.org/adopt/adoptable-cats

His shelter name is Little Guy and he is a great cat! He is one year old, neutered, has all necessary shots, microchip. He's not de-clawed but we keep his claws short. He really likes to play, chase random objects and sit around/on people. In his previous household he was around other cats.

Little Guy is free to a loving home pending the BARCs screening procedure and a \$40 adoption.
