This pup's name is Big Boy. He's 80 pounds of pure love, and his favorite place to be is next to you. He savors every snuggle and scratch and might even lean in for a kiss. He's a quick learner, too! He knows sit and walks well on leash. Fetch is his favorite game.

Big Boy is a 10-year-old redtick hound/St. Bernard mix, but doesn't act his age. He still has plenty of energy and love to give. His longtime owner passed away recently, and now he's looking for a new forever home. He is housetrained, cat friendly, and dog friendly. He's only met children briefly, but he did well with them.

He is currently being treated for heartworm disease in a loving foster home. To set up a meet-and-greet, click "reply" above to contact Dianne or e-mail fostering at kcmo dot org. Come meet this handsome guy today, and you will fall in love!

If Big Boy doesn't meet your family's needs, KC Pet Project has tons of dogs available for adoption, and they can match you with your perfect furry family member! All adoptions include spay/neuter surgery, age-appropriate vaccinations, microchip, deworming, and 30 days of pet insurance. We also have the convenience of 3 locations for you to choose from!
