

# Support and Donations for Walterland Productions (metro detroit)

Location **Michigan**  
<https://www.genclassifieds.com/x-284718-z>

Hello this is Walter Lee planning to formed and set up my own production company called Walterland Productions for stage plays,films and TV series and I hope all you guys could help set it up for me to make it happened it could be from GoFund Me and/or others. I did the youtube video of Walter Dream of Jenna and plans to make that into a play in Texas the auditions there starts in April and the play in June it based on the book I wrote published called We can work it Out it on Amazon,Barnes & Noble,Xlibris publishing,i hope the play sells from Texas,Michigan and allover the states so please support to make Walter Dream of Jenna a black version of I Dream of Jeannie happened to go major network
