Videographers Needed

Location **Michigan**
https://www.genclassifieds.com/x-284721-z

We're looking for talented, experienced and high quality videographers and video journalists to freelance for our company and deliver on the following types of assignments:

- Packaged News Stories
- Branded Content
- Event Coverage
- Interviews
- B-Roll Requests
- Business & Marketing Videos

As a freelancer, you will create a portfolio on our online platform and gain access to video assignments across North America.

A bit about you:

- Well organized
- Professional on and off set
- 1080P HD camera, lavaliere microphone, tripod, and a portable light kit
- Basic knowledge of video editing software
- Skilled in directing subjects and eliciting great interviews
- Visually creative and technically proficient
- Reliable, and capable of meeting aggressive deadlines
- Ability to provide detailed estimates

How to Apply

In order to be considered for commissioned assignments, please respond to this ad with your resume and links to your previous work.
