Friends for Youth is looking for mentors who are willing to get involved with youth-in-need. Many of these children and teens do not have the opportunity to explore nature despite living in the beautiful bay area. If you enjoy hiking, biking, or the beach, you should consider being a mentor.

Friends for Youth has been serving youth-in-need residing in San Mateo and Northern Santa Clara counties since 1979. We match youth-in-need with adult volunteers for one-on-one friendships and mentoring. Learn more about this fun opportunity by visiting us at www.friendsforyouth.org

NOTE: Our one-time Information Session is held at our office in Redwood City, but you can mentor near your home or work for the weekly.
