YOU can inspire positive change in the life of an youth-in-need. All it takes is your compassion, ability to have fun, and desire to share your experience.

Friends for Youth is currently seeking adult volunteers to be matched with a child from our list of at-risk youth from all over the Peninsula. Right now, there are over 60 children waiting to be matched with a mentor. That mentor could be YOU!

Friends for Youth has been serving youth-in-need residing in San Mateo and Santa Clara counties for 35 years. Nearly 2,000 youth have been served by our program, and we want you to be a part of this legacy. To find out more about this meaningful way to give back, visit us at www.friendsforyouth.org

NOTE: Our one-time Information Session is held at our office in Redwood City, but you can mentor near your home or work for the weekly.
