One of the first glamorous residential hotels in Kansas City, The Bellerive was placed on the National Register of Historic Places in 1980. The Hotel's club, the Casbah hosted entertainment legends such as Bob Hope, Billie Holiday, Duke Ellington and Jerry Lewis. The suites have been remodeled and combined to create spacious apartments while retaining the buildings charm and grandeur. Residents and guests are greeted by a beautiful marble lobby with a stunning sculpted ceiling. The Bellerive is centrally-located, just minutes away from Westport, the Plaza and Downtown. It is just a short walk to the metro busline and just minutes to major interstates.

We have around 25 apartment buildings on this street, so we can show you more than just this unit if this doesn't fit your needs. All MAC properties are within roughly 3 minutes of Westport, 5 minutes of the Plaza, 7 Minutes from the downtown power and light district, and right up the street from Martini Corner. We have preferred employer/school discounts with organizations like Cerner, Statestreet, Sprint, UMKC, Rockhurst, KCAI and many more.
