Hello fellow Artist's! I am doing a photoshoot in Hawthorne in an abandoned mall with 4 models who will be dressed in nature and am looking for an artist and hair stylist who has a love for creativity and pushing their creative bounds. We will be making the mall look overgrown and need some natural looks, along with creative styles which we can discuss in further detail if interested. The shoot is on March 15th. We will be providing food, and gas money, along with great shots of your creative looks which you can use for your own resume.

You can text me at

Please do not call as i do not answer from unknown numbers.
