I am the real deal! Tired of getting massages that feel like they just ran a feather over your body? My massage is firm I went to school for massage therapy so I know what I am doing. I know how to use my body weight to give you that nice firm massage. I can use my arms and elbows giving you a deeper massage. Don't want that deep of a massage I can also give light pressure massage also if that is what you want.

Don't worry about driving anywhere I come to you (as long as it is within 30 minutes of Lake Orion) I have my own massage table and lotion so I can set it up in your home or office.

\$60.00 for an hour
\$80.00 for 90 minutes
\$100.00 for 2 hours

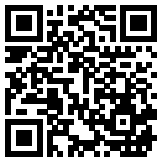

I offer massages Monday-Friday 5pm-1030pm and on Sunday and Saturday from 10am-10:30 pm

Tracie
Please don't call me between 1030 pm
