

2004 Mazda3s Hatchback (2500 USD)

Location **Hawaii**
<https://www.genclassifieds.com/x-284873-z>

5-speed manual transmission with 131K miles (and still going strong!).

Paint peeling on hood and roof only, dent in right rear bumper, and "notorious" rust on upper doors.

A few things should eventually be repaired/replaced (that's why the low asking price):

1. Â Power window (right rear) only goes up/down quarter of the way
2. Â Coolant bottle (slow leak)
3. Â Valve cover gasket
4. Â Passenger side motor mount

Car still provides a reliable and comfortable commute. Please text me, if you have any other questions.

Registration and safety check good until end of March 2015.

Serious inquiries only please, leave mssg or text: twozero3-zero93one.
