Hello, I know this may sound strange, but since I cant seem to find someone any other way, I thought I would try this. I am looking for a woman to share my home and be a part of my life too. I live alone in a 4 bedroom house in Warren. and I have no one to speak of. No one to care if I work late or even come home at all. So, since I am single, I thought maybe I could look for a girlfriend this way. You can move in and become part of my life and share the house. If things work out, you can stay forever. I love movies and going out to dinner and traveling. I have plans to go to Vegas in 3 weeks and Florida this April. In May I am going to Los Angeles and Reno. I am very stable and had the same job for a long time. I don't smoke or do drugs and I rarely ever drink. Anyway, if your interested in knowing more, please drop me a line and maybe send me a picture. Thanks for reading
