Hi there,

I'm looking for some intelligent individuals that want to learn how to make money by buying and selling event tickets online.

I've used these techniques to make \$12,622 over the past 3 years while I was in college, and I'm looking to teach you to do the same thing -- or maybe even surpass my profits if you've got the money to spend on inventory!

Email me with some basic info about yourself and what kind of results you'd be looking for to do this, and let's get!
