

# Military Men in Relationships Needed for 10 min Research Study (Online)

Location **Maryland**  
<https://www.genclassifieds.com/x-314497-z>

The University of Akron is interested in learning about heterosexual military men's views on masculinity and intimate relationships. In order to participate, you must be a military serviceman (active or inactive) in an intimate relationship with a female partner. This survey takes approximately 5-10 minutes and has been approved by the University of Akron's IRB. Please feel free to share this link with others who qualify through social media. Thank you for helping us with this important research!
