Crona and Mavis are looking for furrever homes. They do not need to go to a home together, but would not turn down the opportunity if it presented. These 2.5 year old cats both have all black, long, shiny coats. They're sweet, up to date on all shots, spayed and have very good litter box manners. Crona is about 9 lbs and is super friendly, and Mavis is about 11 lbs and is very friendly. You may have some difficulty telling them apart in the pictures, their fosters do! Their personalities is what distinguished them apart.

## Crona

Crona is a super friendly, petite girl. If she's not following you around jumping up to your hand seeking to be pet, she's curled up on a chair or on a cat bed. She is also quite playful, especially with toys with feathers or noisy balls.

## Mavis

Mavis is a very friendly girl who loves to have her head and ears scratched. She's also quite content perched up high on the cat tree or looking out a window. Another favorite hangout is on the desk next to the computer.

Both are spayed and up to date on shots. Adoption will be through.
