Beautiful land for sale in Sedalia, MO. It is very clean, and ready to build a house on. It is about 3 acres. It's the last property on the street. Line of trees on the side and in the back. No trees on the land. It is 5 minutes from Sedalia, so you don't need permits to build. You can make a well. The land is a rectangle. Close to everything (city, stores, ect). This is very beautiful land, it's my dream land, but our plans changed so we ended up not living on it. Call me or email.
