YOU'LL RECEIVE \$100 for just attending a sales timeshare presentation! Attend 4; make \$400!!! or combine it with show tickets!\*

I'm not going to lie: they will try to sell you a timeshare BUT no matter what your decision is: you will get \$100 after the tour, right at the spot.

What other industry would offer you \$100 to attend a sales presentation?? None! Its their only way to get pontential buyers to come to their tour, and that's why you must fit their Criteria:

- Couples (married or not)
- Proof that you live at the same address. Examples: same last name, same address on IDs, an utility bill, shared insurance card, or shared bank account works.
- Show a mayor Debit or Credit card -No Prepaid- NO ONE is going to run it, you only have to show it at the front desk. They want to make sure you are a potential buyer and that you have one in case you want to buy something.
- At least one you must be over 25 years old. Both over 25 preferably.

----YOU MUST HAVE A VALID DRIVER'S LICENSE, OR POSSES FOREIGN PASSPORTS----
