Hello there,

I have recently been planning out various photo shoots with my makeup artist partner, and we are looking for models to help us bring our projects to life. If you think you would be interested in working on one of the following types of photo shoots, send me an message or comment below and we can talk about them.

- Gothic/Dark Fantasy Photo Shoot
- Athletic Photo Shoot (preference given to those who can actually play sports, but not necessary)
- Various Special FX Photo Shoots including: Elf Princess, Demon, Vampire, Alien, and Superhero
- Skater/Surfer Photo Shoot
- Rock Star/Hip Hop Photo Shoot
- Cosplay (Preference given to those who already have costumes made)
- Peaceful, Nature Photo Shoot
- Old School Hollywood Photo Shoot
- Pin-Up Photo Shoot

We are also willing to listen to any ideas you might have for a photo shoot, and try to bring your projects to life, so feel free to message me or comment below about that as well.
