You want to practice, I want to watch you create. Do whatever you want with my fence. It's 6'x85' plus or minus. I'll buy whatever you want, spray, liquid, stain, do your thing here.

What do I provide in turn? Gourmet cooking, Alcohol, a built in pool, and we're 420 friendly. Think of it as your party spot in the heat of the summer. I open my doors to you and your friends.

I will require references, and pics of prior work. Let's do this. I seek several artists. Plus I have more fence if things are looking good.

Email me through this page only.
